YOUR MOST SOPHISTICATED  
EXPERIENCE WITH  
THE SBMP TEAM

**T**he EP program will offer you a chance to take your life back from the depths of self-doubt and confusion. You'll be able work on deep, personal issues while also learning more about yourself through this incredible opportunity of subconscious training.

The EP is the perfect opportunity for those who are committed to living their lives at a level only few can imagine, and much less actually manifest.

Members of the EP are taking advantage of unprecedented change to unexpectedly discover and learn the tools of the SBMP. You and your coaches will build an incomparable memory, great expectations and adventures.

EP members will receive a personalized level of coaching directly from the SBMP Senior Coach team, which has coached a select group of people over the years. This was previously only available in the other module of the SBMP, the Mind Engineering Program, where each member had paid \$100,000.00 and/or a percentage of their increased profits in the process.

**THE EXTRAORDINARY  
POWER  
OF THIS SUBCONSCIOUS  
TRAINING WILL  
MAKE YOU SO  
PASSIONATE ABOUT  
LIFE, COMMITTED  
TO YOUR PERSONAL  
AND PROFESSIONAL  
ACHIEVEMENTS THAT  
IT'S HARD NOT BE  
DROWN IN**

Now, the SBMP has modelled a very similar system to make it available to members of the EP, but exclusively.

Above all, the EP provides you with a chance to contribute to a level that few people have the means to achieve. The EP is highly limited. While thousands of people around the world have been impacted by the SBMP team's coaching programs, the EP is limited to a select group of people, and only by application. To request a formal application form, email the SBMP support team at [contact@teamsbmp.com](mailto:contact@teamsbmp.com) or contact your respective instructor.
